Department:	Regional Services
Section:	Civil Operations
Position Status:	Fixed Term - Full Time (12 months)
Classification:	Order – Apprentices and Trainees Wages and Conditions
Reports To:	Supervisor
Revised:	August 2026

General Position Statement

This position supports Council's direction by undertaking a wide range of civil construction labouring tasks as a part of a multi-disciplined team responsible for the construction and maintenance of the Council's infrastructure assets in accordance with recognised standards.

Specific Responsibilities

The successful candidate must be able to fulfil the following position responsibilities.

- Commitment to undertaking all traineeship requirements and to the successful completion of the traineeship.
- Studying towards a Certificate II in Civil Construction.
- Undertake all maintenance and construction tasks associated with the Council's infrastructure including maintenance and construction of assets.
- Undertake general labouring duties including pipe laying and concreting.
- Read and carry out basic instructions and make simple reports.
- Operate and maintain small machines and hand tools.
- Report any defects or problems to the Supervisor, e.g. equipment or safety concerns.
- Refer matters that may impact upon the business, Council and employees to the relevant Supervisor or Manager.
- Undertake other relevant duties as directed, consistent with skills, competence and training.

Civil Construction Trainee

POSITION DESCRIPTION

Position Requirements

Your suitability for this role will be assessed against the following competencies.

Skills/Competencies

- Ability to undertake a range of construction and maintenance tasks with general supervision.
- An understanding or ability to acquire knowledge of the basic requirements of civil construction and maintenance.
- Knowledge or ability to acquire working knowledge of the requirements for small machinery, hand tool operation and maintenance including two-way radios.
- Knowledge or ability to acquire knowledge of the methods of concrete and pavement construction.
- Sound numeracy and literacy skills with ability to carry out basic instructions and make simple reports.
- Sound communication (oral and written) and interpersonal skills, with ability to provide a quality customer service.
- Possess a positive attitude and ability to work well within a team to achieve outcomes.
- Communicate Effectively – Ability to communicate with others verbally and in writing to meet requirements of the role.
- Teamwork and Collaboration – Ability to work together with others to achieve common goals both within immediate team and teams across Council.
- Time Management – Ability to plan and organise tasks/work to meet objectives of the role.
- Problem Solving – Ability to analyse problems by gathering information and develop a solution (in line with role responsibilities) or options and make a recommendation.
- Deliver Excellent Customer Service – Ability to meet customers' expectations around safety, time, cost and quality.

Desirable Qualifications and Experience

- Construction Industry Induction (White Card).
- Ability to complete Working in Proximity to Traffic - Awareness Part 1 (formerly referred to as Traffic Management – Level 1 Course).

Behaviours

- *Customer Service* – Ensure service delivery and advice remain focused on Council's customers and community outcomes.
- *Safety* – Carry out your duties in a safe manner whilst ensuring the safety of your team members and customers, in accordance with Council's Health and Safety Duty Statements and associated safety policies / procedures.
- *Code of Conduct* – Act in accordance with Council's Code of Conduct.
- *Council Values* – Demonstrate behaviours aligned to Council's values: *One Team, Accountable, Customer Focused, Continuous Improvement and People Development*.

Work Environment and Physical Demands

- This position is an outdoor role and will require the employee to carry out physical tasks which may include manual handling of up to 25kg, repetitive bending, kneeling, twisting and/or squatting, working in confined spaces, and working at heights.
- Should the requirement to work in confined spaces be a mandatory requirement of this role, the absence of facial hair below eye level is necessary to ensure an appropriate facial seal when using routine or emergency breathing apparatus.
- For plant operations there is a maximum seat rating for tip trucks of 120kg and Semi tippers of 150kg.

Civil Construction Trainee

POSITION DESCRIPTION

Additional Requirements

- Ability to work in an office and outdoor environment.
- Ability to legally operate a motor vehicle under a “C” Class Licence (minimal provisional).
- A willingness to undertake a Functional Capacity Evaluation to satisfy the inherent physical requirements of the position.
- Provision of a satisfactory Criminal History Check - Police Certificate (Australia Wide Name Only Police Check).
- Ability to be immunised in accordance with Council's Occupational Risks and Immunisation Register.

Delegations and Authorisations

Financial, Administrative and Corporate Delegations may be applicable to this position and are detailed in the Delegations Corporate Register.

Legislative Sub-Delegations and Authorisations may also be applicable to this position and are detailed in the external public registers. Both registers are available on Council's Intranet.

Acknowledgement

This job description has been designed to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to the role.
