

Airport Reporting/Works Safety Officer POSITION DESCRIPTION

Position Number:	3112
Department:	Organisational Services
Section:	Airport
Unit:	Operations
Position Status:	Fixed Term Full Time
Classification:	Level 5/6 - Rockhampton Regional Council Certified Agreement 2022 – External Employees
Reports To:	Coordinator Airport Operations
Revised:	January 2025

General Position Statement

This position supports Council's direction by being responsible for the inspection, monitoring, reporting and general maintenance of aeronautical safety and security facilities at Rockhampton Airport. The officer will be expected to provide quality customer service when liaising with a wide variety of clientele; including the public, military, airport tenants, aviation industry and Council personnel.

Performance standards and expectations relating to this position will be detailed in the individual performance plan.

Specific Responsibilities

The successful candidate must be able to fulfil the following position responsibilities.

- Ensure safe and secure operation of the airside environment.
- Monitor, inspect and report on the serviceability of aircraft movement areas.
- Undertake Aerodrome Works Safety Officer duties and aircraft parking control.
- Provide a coordinated first response in the event of an emergency.
- Bird and wildlife hazard mitigation in accordance with the Wildlife Hazard Management Plan.
- Report and monitor safety and security incidents and initiate appropriate actions.
- Ensure compliance with relevant legislation, the Aerodrome Manual, Transport Security Program, policies and procedures.
- Ensure grassed and vegetated areas are maintained to the required standards.
- Ensure Airport facilities, vehicles, plants and fences are maintained and cleaned as required.
- Refer matters that may impact upon the business, Council and employees to the relevant Supervisor, Coordinator or Manager.
- Undertake other relevant duties including aviation safety and security functions as directed, consistent with skills, competence and training.
- Maintain new and developed gardens as well as plan and implement the development of remaining airport grounds, including but not limited to mowing, whipper snipping mulching, blowing, spraying, irrigation, planting trees, shrubs, weeding of car parks and grounds and labouring, general maintenance jobs, minor repairs within the terminal building

Airport Reporting/Works Safety Officer POSITION DESCRIPTION
