

Plant Operator/Labourer POSITION DESCRIPTION

Position Number:	2189, 1770, 1448 & 1478
Department:	Regional Services
Section:	Fitzroy River Water
Unit:	Network Operations
Position Status:	Permanent Full Time
Classification:	Level 5 - Rockhampton Regional Council Certified Agreement 2022 – External Employee
Reports To:	Supervisor – Network Construction
Revised:	November 2025

General Position Statement

This position supports Council's direction by undertaking of plant operating, truck driving and labouring tasks as part of a multi-disciplined team that is responsible for the construction and maintenance of the Council's water and sewerage infrastructure assets in accordance with recognised standards.

Specific Responsibilities

The successful candidate must be able to fulfil the following position responsibilities.

- Install, and repair works to Council facilities and infrastructure to ensure they meet the relevant plumbing and drainage codes.
- Repair the main water and sewer lines where there has been a major blockage or break in the lines. May also be required to replace hydrants and valves.
- While working in a trench, the crews are required to establish a new connection to the mains water. Following a new connection, workers are required to run new poly piping.
- Required to gain access to manholes which are usually a number of feet below ground level. Accessing manholes may require exaction of soil or excavation of concrete.
- Undertaking a variety of maintenance and construction duties such as putting in rag bolts, electrical pits, pipes, placing signs and fencing, basic concreting tasks.
- Use of hand tools such as spanner, wire brush, level, measuring tape, line sprayer etc. are used to complete a variety of construction tasks.
- Operate and conduct servicing and basic maintenance of trucks and various types of Council's heavy earthmoving equipment operation.
- Report any defects or problems to supervisor, e.g. equipment or safety concerns.□
