

Assistant Production Technician

POSITION DESCRIPTION

Position Number:	1631
Department:	Community Services
Section:	Communities and Culture
Unit:	Major Venues
Position Status:	Casual
Classification:	Major Venues Level 2 - Rockhampton Regional Council Certified Agreement 2022 – Internal Employees
Reports To:	Supervisor Production and Technical Services
Revised:	June 2023

General Position Statement

This position supports Council's direction by providing basic technical production in a professional, safe and efficient manner, ensuring the delivery of a customer focused, industry best practice service to venue hirers and users.

Performance standards and expectations relating to this position will be detailed in the individual performance plan.

Specific Responsibilities

The successful candidate must be able to fulfil the following position responsibilities.

- Provision of basic technical and production services to venue hirers and clients.
- Assist with operation and maintenance of all technical equipment across multiple disciplines in accordance with the relevant industry standards.
- Assist with installation and de-installation of various exhibition and event elements across a range of major venues.
- Assist in the unloading and loading of vehicles and moving heavy objects.
- Assist with minor fabrication and painting for exhibition and event needs.
- Assist with hanging, positioning, and handling artworks of various materials.
- Set up lighting, sound systems and audio visual equipment for various internal and external events.
- Maintain a high standard of presentation and security at all times based on specific venue requirements.
- Ensure the high quality presentation of all public areas of venues by ensuring technical equipment is operating effectively and the venue is in a clean and safe condition at all times.
- Comply with all Statutory Acts and Regulations relevant to this position.
- Refer matters that may impact upon the business, Council and employees to the relevant Supervisor or Manager.
- Undertake other relevant duties as directed, consistent with skills, competence and training.

Assistant Production Technician

POSITION DESCRIPTION

Position Requirements

Your suitability for this role will be assessed against the following competencies.

Skills/Competencies

- Skills in the operation of technical systems including audio, audio visual, lighting and staging.
- Experience working within a multi-disciplinary outcome focused technical team with a commitment to multi-skilling.
- Effective numeracy, keyboard and literacy skills.
- Working knowledge of work practices, procedures and policies relevant to the unit.
- An ability to work productively with not for profit organisations and volunteers.
- Practical experience in construction, fabrication, painting and appropriate work methods for utilising necessary power tools.
- Ability to quickly learn, self-research, and adapt to new technology.
- Communicate Effectively – Ability to communicate with others verbally and in writing to meet requirements of the role.
